

## About Nrupathunga University

Nrupathunga University, formerly Government Science College, has evolved into a comprehensive institution offering UG, PG, and research programs. The university runs unique programs like integrated BSc. B.Ed and BBA in Aviation and Air Cargo. With a century-old legacy, it strives for excellence while preserving tradition. Its mission is to make a transformative impact through a comprehensive education, instilling competence, confidence, and excellence. Emphasizing on quality education, research, and extension, the university also focuses on sensitizing learners to social, gender, and environmental concerns, fostering holistic development and leadership.
